### Nature of Business

Victory Marine Safety Pte Ltd is incorporated in early 2012 and our main focus is to provide comprehensive and cost-effective inspection service for fire-fighting equipment and systems. With our team of experienced service engineers and technicians, we are able to provide a complete range of FFE LSA services which also include lifeboat and davit services.

Victory Marine Safety has been working closely with various ship-owner and managers, our team is on call 24 hours / 7 days-a-week, thus giving peace of mind to our customers. We had enjoyed a good relationship with many countries' customers such as Singapore, Germany, United Kingdom, Greece, Malaysia, etc. We are working with our partners from strategic locations to provide FFE LSA services in other countries too.

Victory Marine Safety seek to updates ourselves with constant changes and are committed to keep your ships safe at sea.
