AEGIR-Marine: service you can trust

AEGIR is a full service provider for stern seal and propulsion service. We are make-independent and therefore, offer service and spares suitable for all major propulsion systems.

We are a professional, experienced, flexible and customer-focused organisation. To us, it goes without saying that the customer comes first. We offer service with a smile and will gladly go that extra mile. That is what AEGIR stands for.

AEGIR-Marine PRIME Parts®: seals and spares

As a manufacturer, AEGIR-Marine focuses on propulsion parts only. Specialisation is our strength. Make-independent as we are, we produce spares suitable for all major propulsion systems. It is in our DNA to always want to be the best so our seals and spares score high marks in independent tests.
